

## MAUREEN BITLER

It has been my great honor and pleasure to serve on the EMBA board the past two years. I'm embarrassed to say I took my first Bridge lesson in 1977; wouldn't you think I'd be better by now? I was introduced to Duplicate bridge in the 90's and was a "Once a week" player until retirement in 2011. That's when I decided to get serious about this wonderful game. Can we say "obsessed"? I have a director's certificate and am a certified teacher. But mostly I love to play. We may have met at The Bridge Spot, Puritan Club, Family Friendly Bridge or Lakeville. I'm always eager to hear the opinions of players and greatly welcome your input. Please keep me in mind for one of your votes.
