

Ru **T**erajewicz started playing duplicate bridge in 2009 and it soon became her passion. Ru Terajewicz is an ACBL accredited bridge teacher and club director, and a mentor to some novice players.

Ru is seeking to apply her passion and experience from competing, directing, teaching, and mentoring to serve the bridge community on the EMBA board. Coupled with the leadership experience gained in her previous engineering career, she is confident that she will make valuable contributions to the community.

Among her many bridge successes, Ru achieved top 100 Richmond Trophy rank for two consecutive years, has won several ACBL Mini-McKenney races at unit and district level, and has won multiple sectional and regional championships in open events.
