

STAN RICHMOND

I was honorably discharged from the U. S. Navy in 1963. I graduated with honors from Northeastern University with a B. S. in Economics in 1972. I was an Enrolled Actuary and member of the American Academy of Actuaries. I spent 44 years working on corporate retirement plans; 5 years with John Hancock Insurance Company performing actuarial valuations of defined benefit retirement plans and 16 years as a consultant and actuary in retirement plans for two of the original Big Eight Accounting firms. I became president and co-owner of QPSI in 1988 and retired in 2007. I served as treasurer for the Temple Beth Shalom Brotherhood of Needham for 8 years and for 2 years for the Jewish Big Brother/Big Sister Association of Boston. I was a Big Brother to 4 little brothers over a 24 year period. My wife and I are residents of Needham. We have two daughters and five grandchildren. My main interests are visiting our grandchildren in Ohio and Colorado, reading books, sun bathing at the ocean and of course duplicate bridge.

I was the Treasurer of EMBA in 2015 and served on the Board for the next 3 years; serving as Chairman of the Finance Committee. I look forward to continuing my work on financial planning and investments and to making our tournaments and club games more warm, friendly and fun.
