

Jan Smola

As a seasoned member of the Board in my 4th term, I have worked on the Newcomer/Partnership Committee.

You most likely would have seen me at the Partnership Desk at Watertown sectionals arranging new pairs and filling in the missing slots in teams. I enjoy the matchmaking challenge!

Past activities have included working on the, Quick Trick, Educational Liaison, Nomination/Election and Boston NABC Tournament committees.

I look forward to representing you on the Board for another term.
