

I have served as EMBA Treasurer for the past four years, and I am seeking your vote for a fifth one-year term. A member of EMBA for 25 years, I took up bridge in middle age and the rest is history. Other past positions of financial responsibility I have held in the bridge world are Audit Committee Chair for District 25, and Finance Chair for the 2008 NABC held in Boston. I retired in 2013 from a career as a Certified Public Accountant and international corporate tax planner at The Gillette Company and other local employers.
