

## **Steve Diamond**

Candidate for Vice President

For the past three years, I have been a member of the Board; for two of those years, I was also Chair of the Nominations/Election Committee. I am now seeking your support for Vice President.

Like many of you, I gave up bridge when I started my career. I always thought that retirement would give me the time to play. My dream has been realized: bridge has become my full time passion. Some days I cannot believe how fortunate I am!

After several years, my wife suggested that it was time to “give something back” to the game that I love. That is when I decided to run for the Board.

What most impressed me during the last three years is the dedication and hard work that the Officers, Board, Committee members and volunteers display in their quest to improve your playing experience. Their names can be found on the website. Taking the time to thank them is something I urge you all to do.

This experience has motivated me to ask for your vote for Vice President. Thank you for your consideration.
