

**Jane Siebecker**

I am a bridge player, director and club owner in Amesbury MA, part of 7NTWORLD on BBO.

As a retired science teacher and future bridge teacher, my interest in becoming an EMBA board member is to see more people learning bridge. I'd like more people to learn and to promote the game by advertising the joy of teamwork, puzzle solving and sportsmanship of the game.

Please vote for me.

Sincerely,

Jane Siebecker
